# PROTECTION FROM IDENTITY THEFT!

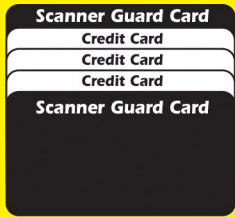

**Scanner  
GUARD CARD™**

Remind your guests why they chose your hotel/casino every time they open their wallet! Choosing Scanner Guard Card as a promotional premium shows your guests that your hotel/casino is being pro-active in providing an additional line of defense against identity theft. This is truly a premium with a purpose.

## We Protect Credit Cards

- Extra Thin
- Built-In Special Layer
- Can Be Used in Any Wallet
- Protection From e-Pickpocket Thieves

### How It Works!

Simply add two Scanner Guard Cards into a wallet, credit card holder or clip to block all unwanted RFID Scanners.

Your hotel/casino name and logo will be featured on both cards allowing your logo to be seen by your guests every time the wallet is opened. Scanner Guard Card yields tremendous branding compared to traditional premium items.
